Then ...
Help keep up your sol-
dier's morale---

Every soldier takes with him two pictures
his uniform. He carries the other deep in

And while he boasts of the snapshot to
he worships his heart's image: the sweet and
on last leave.

To every man that image is different; yet
soft breezes in happy places, star-light and
the picture the soldier must hoard against the
form the pattern of his dreams.

Perhaps this is why no woman can forget
woman is not a farm hand, a worker, teacher

And so she makes her unique contribution
the march. He hearkens to her voice in the night
and tenderness is the future for which he fights

These things he will remember; the sun
laughed at the little joke they shared; her hand
the pattern of her blue dress and the faint
er circumstance in life can bring.

All over the nation this autumn the sold
America's story. With their men, the girls
and paths, some of them, trod in '61 by other

Soon—tomorrow, perhaps—they will be
tending the humming machines, doing the mil
age with a quiet devotion all their own.

But today each is the beloved of a soldier
says "So long, soldier," with a smile.

SAFEGWAY Homemaker's Guide

★ How to get the latest facts on everyday nutrition ★ Foods that tie in with the Government's program to build a strong nation ★ Mother settles the arguments

**Food will
build a strong Nation!
eat the right foods**

Better nutrition means better health, and in this vital war period, it's a patriotic as well as a personal duty to keep your family fit by serving them the right foods.

Safeway has joined your Government's campaign for improved health through nutritionally-correct food by again offering a correspondence course of 10 easy-to-learn lessons in practical nutrition and meal planning. This is a completely revised edition of Julia Lee Wright's "Kitchen Course in Nutrition" first offered a year ago—the correspondence course in nutrition which helped thousands to enjoy better health. This new "Kitchen Course in Nutrition" is just off the press, completely rewritten to meet war-time demands and fully explains the Government's official guide to good nutrition, "U. S. Needs US Strong."

To enroll, simply fill out the coupon below and mail it to us today with 25c in coin. About ten days after enrolling, you should receive your first lesson, and each week thereafter, until ten weeks have passed you will receive another lesson. Upon completing the course, you will have a 100-page handbook of practical nutrition and menu planning, and Julia Lee Wright will send you a personally endorsed Certificate of Merit, showing that you have successfully passed the course and are eager to do your part in bettering the health of the Nation.

Here is a list of the 10 easy lessons in the "Kitchen Course in Nutrition":
Lesson 1. Is Your Family Really Well Fed?
Lesson 2. Feeding Your Family Its Vitamins.
Lesson 3. Minerals are Mighty Important.
Lesson 4. Cooking Those Vitamins and Minerals.
Lesson 5. You Need Plenty of Protein.
Lesson 6. You Can't Get Along Without Calories!
Lesson 7. Planning Meals for Good Nutrition.
Lesson 8. More Nutrition for Your Money.
Lesson 9. Nutrition in Disguise!
Lesson 10. The Rewards of Better Nutrition.

17TH INFANTRY CALIFORNIA STATE MILITIA A LICENSED MILITARY ORGANIZATION STATE ARMORY

14TH & MISSION STS. - SAN FRANCISCO, CALIF.

To All Male Citizens of San Francisco:

1. You are going to be called upon to fight for your country either at one of the battle fronts or, if the occasion arises, in the streets or in the vicinity of San Francisco.
2. If you are young enough and in good physical condition you may have the opportunity of meeting the enemy on the field of battle.
3. If you are in this class you will want to have as much preliminary training in the functions of a fighting man as you can get before you go into the Service.
4. You can secure valuable preliminary training, FREE OF ALL CHARGES, by joining the California State Militia, 17th Infantry. You can receive this training on Monday, Tuesday or Wednesday every week from 7:30 to 9:30 p. m.
5. If you are intelligent and anxious to prepare yourself for a commission or non-commission officers' warrant, the 17th Infantry conducts an officers' and non-commission officers' school every Friday night from 7:30 to 9:30. These schools are open to all members of the 17th Infantry and every basic subject in the school of the fighting man is taught in these Friday night classes. If you are anxious to get ahead in the Service, attendance at the 17th Infantry officers' or non-commission officers' school will place you far ahead of the average recruit when you go into the Service.
6. If you are over the draft age or have a slight physical disability which keeps you out of the active service, you still have the opportunity of serving your country by becoming a member of the 17th Infantry, California State Militia. Every man who must remain at home during this war may have to fight for his home and family in the event of an invasion. TRAINED citizens will stand and fight—because they know how to use a weapon that can repel the enemy, and they belong to a military group organized to cooperate with the regular army.
7. Untrained civilians are apt to become hysterical and run from danger—because they have no military leadership—no training that would enable them to cooperate with a military unit.
8. Every male citizen of SAN FRANCISCO should belong to the CALIFORNIA STATE MILITIA and should JOIN AT ONCE! Select either Monday, Tuesday or Wednesday night for your training and go at once to the State Armory, 14th and Mission Streets, at 7:30 on the night you want to begin training. You will be assigned to a company and begin training immediately. Remember, there is no charge of any kind for this training.

IF YOU WOULD RATHER FIGHT FOR YOUR HOME AND FAMILY
THAN LIVE LIKE A SLAVE YOU WILL JOIN THE 17TH INFANTRY,
CALIFORNIA STATE MILITIA ... NOW!

M. H. AUERBACH, Captain C. S. M., Commanding.
